

Assemble BEV85 Compressors to Stand

80000157 COMPRESSOR BEV 85 x 2

80000173 FRAME STAND BEV 85

1. Place the stand on a flat, stable, level surface and level frame by adjusting the feet.
2. Carefully unpack the BEV 85 Compressors from their shipping carton.
3. Assemble a rubber foot supplied with the compressor to the back leg of both compressors with nuts and bolts supplied.
4. Assemble 2 rubber feet to the front corners of the 2 frame bracket cross channels with nuts and bolts supplied.
5. Use a 2 person lift to lift the Bev 85 and locate the rear cross bar on the handle into the cross channel of the frame bracket and also guide the rear leg/foot into cup at bottom of the bracket.
6. Gently lower the Bev 85 until the handle cross bar is securely located in the frame bracket cross channel and the rear leg/foot in the bracket cup.
7. Confirm that the Bev85 compressors are securely mounted and retained in the frame brackets.
